

ASSEMBLY BILL

No. 1926

Introduced by Assembly Member Horton
(Coauthor: Senator Denham)

February 12, 2008

An act to amend Section 6591.5 of the Revenue and Taxation Code, relating to taxation.

LEGISLATIVE COUNSEL'S DIGEST

AB 1926, as introduced, Horton. Sales and use taxes: interest.

Existing law provides that interest is paid by taxpayers and feepayers with respect to underpayments of various taxes, surcharges, and fees at the modified adjusted rate, as defined by reference to a specified federal statute, and that interest is paid to taxpayers and feepayers with respect to overpayments of various taxes, surcharges, and fees as determined in accordance with a specified federal statute, which requires that the rate paid on overpayments be based on the rate of 13-week treasury bills, as specified.

This bill would delete the requirement that interest on overpayments be based on the rate of 13-week treasury bills and would instead require that interest on both underpayments and overpayments be determined in accordance with the specified federal statute, as modified.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
